2. ORGANIZATIONAL STRUCTURE & AUTHORITY

2.1 Appointing Authority

As prescribed by Colorado State Statutes, the legislative, corporate authority, and policy-making function of the Town of Crestone is vested in the Board of Trustees, consisting of one Mayor and six trustees. One trustee will be appointed mayor pro-tem and will act as Mayor in the Mayor's absence.

The Board of Trustees operates according to the rules set forth in the Town Ordinances and Colorado State Statutes. The Board of Trustees has the responsibility for all municipal affairs, including personnel. For the purposes of this Handbook, the Board of Trustees holds primary responsibility and control of establishing the organizational structure and making necessary appointments to the offices or positions, including the adoption of personnel policies and procedures.

2.2 Appointed Authority

The Board of Trustees ultimately determines the number and type of employee positions. The duty of administering matters pertaining to employees of the Town is assigned to the Town Administrator.

2.3 Equal Employment Opportunity

2.3.01 The Town of Crestone is an Equal Employment Opportunity employer. The Town does not discriminate against applicants or employees based on race, age, gender, color, religion, national origin, disability, veteran or marital status, sexual orientation, gender expression, genetic information, or any other status protected by applicable state or local law. The Town prohibits retaliation against any employee for filing a complaint under this policy or assisting in a complaint investigation.

2.3.02 Persons with disabilities who are otherwise qualified to perform the essential functions of the position of Town employment will be considered with reasonable accommodations as provided in the Americans with Disabilities Act, including:

- i. Modifications or adjustments to a job application process enable a qualified applicant with a disability to be considered for the position.
- ii. Modifications or adjustments to the work environment or the manner under which the position is customarily performed enable a qualified individual with a disability to perform the position's essential functions.

- iii. Modification or adjustments that enable an employee with a disability to enjoy equal benefits and privileges of employment.

2.3.03 The Town Administrator shall serve as the Equal Employment Opportunity Officer to carry out the Town's equal opportunity efforts and advise and assist Town personnel in implementing and complying with this policy. The officer shall examine existing internal policies and procedures which may serve as barriers to implementing this policy and recommend changes when needed. The Equal Employment Opportunity Officer shall utilize the resources available to assure equal employment opportunities to all applicants and employees.

2.4 Organization Structure

The current Town organizational chart approved by resolution of the Board of Trustees is included under Appendix B.

3. SELECTION PROCEDURES

3.1 Appointed Authority - Responsibility

3.1.01 The Town Administrator shall be responsible for the administration of employee selection. The Town Administrator shall ensure that no person is hired or promoted into any employment position until that position and the compensation for that position has been approved by the Board of Trustees. Approval of compensation includes Board of Trustee budget allocations, a performance hourly range plan, or an individual approval for an existing employee raise or new employee hire and compensation.

3.2 Vacancies - Announcement

3.2.01 The Town Administrator will determine when a vacancy exists, whether the vacancy shall be filled, and set an appropriate time frame to fill the vacancy.

3.2.02 When a vacancy is determined, the position will be announced, posted at the designated posting places, published in at least one publication in a newspaper of general circulation in the Town, and by such additional methods as deemed appropriate. All vacancy announcements shall include a statement that the Town is an equal opportunity employer.

3.2.03 The Town Administrator may consider filling a position internally. If an internal appointment is appropriate, the position would be open to current employees of the Town who meet the minimum qualifications as specified in its job description. Any current employee selected to fill such a position shall be subject to an introductory training period.

3.3 Application

3.3.01 All persons wishing to apply for employment with the Town must complete and submit a Town job application by the designated deadline set forth in the job announcement. A resume may be attached to the application but will not be accepted as a substitute for an application.

3.3.02 The Town Administrator may choose to screen applications before interviews or competitive examinations. Based on the opinion of the screener, applications may be disqualified when any of the following exist:

- A.** The application does not meet the minimum qualifications set forth in the job description.
- B.** The application indicates an unsatisfactory employment record, has been deemed unsuitable for Town employment due to information gained from a previous job interview or previous engagement with the Town, or that the applicant has given false information evidenced by the results of reference checks.
- C.** The applicant fails to respond to contacts or messages left.

3.4 Nepotism

- a)** As a small community, the Town of Crestone frequently has a small applicant pool. Where nepotism is an issue, the Town Administrator shall review each situation individually using the following criteria.
- b)** No relative may have direct authority to appoint, supervise, discipline or dismiss a relative.
- c)** No relative may audit, verify, receive, or dispense monies entrusted to a relative.
- d)** No relative may have access to a relative's employer confidential information, including payroll and personal records.
- e)** No person may become an employee of the Town who is an elected or appointed Town Trustee.

3.5 Interviews and Examinations

3.5.01 The Town Administrator shall establish procedures appropriate to ensure the interview's integrity and examination of any applicant.

3.5.02 The Town Administrator will notify all applicants who have not been disqualified by reasons described in Section 3 of this Chapter to set a time and place for an interview and/or the appropriate examination.

3.5.03 For positions that require a formal examination, the Town Administrator shall conduct such assessment, which may consist of written tests, practical demonstrations, oral boards, or any combination thereof as determined necessary to evaluate the applicants fairly and objectively. Any question during an interview or testing shall be limited to those that pertain to the position.

3.6 Offers of Employment

3.6.01 Following an interview or competitive testing and rating of the candidates, the Town Administrator may select one or more top-qualified candidates for a second interview.

3.6.02 If the Town Administrator determines some qualified candidates can perform the duties of that position, an offer of the job may be made in writing to the most suitable candidate. The Administrator may also elect to seek additional qualified applicants to fill the position's duties or leave the position unfilled.

3.6.03 Failure to accept the written offer of the position within seven days of the offer date will be deemed a refusal of the employment offer. The job may be offered to the next most suitable candidate.

4. ORIENTATION, TRAINING & EVALUATION

4.1 Training Period

4.1.01 Each new employee or any employee appointed to fill a vacant regular full-time or part-time position shall be subject to a training period, which may extend up to 6 months. The period will begin with job orientation and continue with the training necessary for the employee to be familiar and comfortable with the duties and responsibilities of the position.

4.1.02 After the six-month training period, an employee will be evaluated by the Town Administrator. Based on the evaluation, the employee may be accepted to become a regular full-time or part-time employee; or the training period may be extended an additional three months, or the employee may be released from employment and cannot grieve the termination

4.1.03 Should the employee show performance deficits or other failures to follow town policies during the training period that indicate additional training will not result in adequate job performance, the employee may be terminated at any time during the training period and cannot grieve the termination.

4.2 Orientation

4.2.01 The Town Clerk or designee shall provide orientation to each new employee or any employee appointed to fill a vacant regular full-time or part-time position. This orientation shall include the employee's job description; Town policies, employee benefits, promotion opportunities, and training programs.

4.2.02 At the orientation, each employee will be provided a Personnel Handbook, asked to read and understand the information thoroughly and sign and return the Acknowledgment of Receipt to the Appointed Authority.

4.2.03 The Town Administrator shall be responsible for ensuring that the job orientation provided to a new employee outlines the goals, objectives, job policies, and procedures related to that position.

4.3.02 The Town Administrator shall provide job-specific training to employees that will promote efficiency, economy, and safety of operation for the Town and ensure that the employee will protect the community's health, safety, and welfare.

4.3.03 Upon the successful completion of the training period, employees may be eligible to request continued education. The Town will support and sponsor training to the extent that the education is directly related to the employee's position, and there is funding to pay for the training. Required training shall be scheduled during regular working hours whenever possible. All training shall be pre-approved in writing by the Town Administrator.

4.4 Evaluation

4.4.01 The Town Administrator will ensure that each employee is evaluated to discuss strengths, weaknesses, and accomplishments. The Town Administrator may delegate this responsibility to the direct supervisor of the employee. The evaluation process allows employees and supervisors to review the employee's progress on the job.

4.4.02 Employees new to a position and in a training period shall be evaluated after the first 90 days and again at the end of six months. All regular full-time and part-time employees will have a performance evaluation annually, completed by their employment anniversary date of each year.

4.4.03 The Town Administrator shall provide forms to be used for employee evaluations. These forms shall be completed in detail to depict the employee's job performance accurately. In the assessment, the Town Administrator or the Administrator's supervisor designee and the employee shall review the written job evaluation, discuss performance levels and note any needed changes. The completed evaluation form shall be signed by the employee and returned to the Town Administrator.

4.4.04 The Town Administrator shall be evaluated by the Board of Trustees according to the Administrator's employment agreement and, in no case, less than once per year on the Administrator's anniversary date.

Any revisions to the Safety Manual or attachments will be distributed to all employees upon adoption.

5.2.02 Each employee is responsible for adhering to the policies and procedures set forth in the Safety Manual and pertinent attachments. Disobeying a safety rule may result in disciplinary action up to and including discharge.

5.3 Employment Related Accidents, Injuries, and Illnesses

5.3.01 Town of Crestone employees are covered for employment-related injury or illness by the Colorado Workers Compensation Act. Under the Act, an employee may receive certain benefits pertaining to an employment-related injury

or illness. Under the Act, a work-related injury or illness must be reported within four (4) working days. See Appendix A for current Town providers.

5.3.02 Any employment-related accident involving any injury or property damage whatsoever must be reported immediately to the Town Administrator or Town Clerk by each employee involved in or witnessing the accident. Each employee involved in or witnessing the incident must complete a First Report of Accident or Injury form. Failure to report any accident involving injury or property damage may result in disciplinary action up to and including discharge.

5.3.03 See Appendix A for current Town designated providers of medical care for employment-related injury or illness.

5.3.04 To the extent practicable, the employee will be reinstated to the employee's position upon return from leave for an employment-related injury or illness. To accommodate an employee's return to work who is not yet fit for the duties of their current position, modified duty may be available where the needs of the Town permit.

5.3.05 The Town will comply with the Americans with Disabilities Act (ADA) with reasonable accommodations for an employee whose employment-related injury or illness results in a disability to which the ADA applies.

13. GRIEVANCE PROCEDURE

13.1 Policy

13.1.01 It is the Town's policy that employees should have an opportunity to present their work-related complaints and to appeal management decisions through a grievance procedure. The Town will attempt to resolve promptly all grievances that are appropriate for handling under this policy. The grievance procedure is the exclusive remedy for employees with grievances.

13.1.02 A grievance is defined as an employee's expressed dissatisfaction concerning a supervisor's interpretation or application of a work-related policy. Examples of matters which may be considered appropriate grievances under this policy include, but are not limited to, the following:

- a) A belief that Town policies, practices, rules, regulations, or procedures have been misinterpreted or misapplied against the employee.
- b) Treatment considered unfair by an employee, such as coercion, reprisal, harassment, or intimidation.
- c) Alleged discrimination because of race, color, gender, age, religion, national origin, veteran status, marital status, disability, sexual orientation, gender expression, genetic information, or any other status protected by applicable state or local law.
- d) Unequal administration of employee benefits or such items as scheduling, vacations, promotions, holidays, performance review, or salary.
- e) Other town employees conducted waste, fraud, and abuse actions.

13.1.03 The grievance procedure has a maximum of three steps, but grievances may be resolved at any stage in the process. Grievances are to be fully processed until the employee is satisfied, does not file a timely appeal, exhausts the appeal process, or a final decision is rendered. Any employees who feel they have an appropriate grievance shall proceed as follows:

- a) Step One – Within five working days of the action to be grieved, the employee must bring a written grievance to the attention of their immediate supervisor. The supervisor shall investigate the grievance, attempt to resolve it, and give a written decision to the employee within a reasonable amount of time, but not to exceed three working days. An employee will be notified if the investigation will require additional time beyond three days. The supervisor shall prepare a written and dated summary of the grievance and proposed resolution for personnel file purposes.
- b) Step Two – If the grievance is not resolved between the employee and their supervisor, a written appeal of the supervisor's decision may be forwarded to the Town Administrator. If the Town Administrator is the immediate supervisor, it is permissible to proceed directly to step three. The Town Administrator shall investigate the grievance, attempt to resolve it, and give a written decision to the employee within a timely manner, but not to exceed five working days. An employee will be notified if the investigation will require additional time beyond five days. The Town Administrator shall prepare a written and dated summary of the grievance and proposed resolution for personnel file purposes.
- c) Step Three - If the employee is not fully satisfied, then the appeal shall be presented to a hearing officer appointed by the Town Board of Trustees who is knowledgeable and experienced in the applicable laws of the State of Colorado and human resources best practices to hear the grievance and make a ruling. The appeal must be made in writing within five working days and provide all documentation associated with the unsatisfactory decision. The hearing officer shall have access to all available records concerning the issues of the appeal, will take the necessary steps to investigate the grievance; will make reasonable effort to meet with the person filing the appeal, and shall then issue a written, final, and binding decision within five days. An employee will be notified if the investigation will require additional time beyond five days. A copy of the written decision shall be provided to the Town Administrator for personnel file purposes. If the grievance is made against the Town Administrator, the report shall be given to the Town Attorney for presentation to the Board of Trustees.

13.1.04 Implementation of the grievance procedure by an employee does not limit the right of the Town to proceed with any disciplinary action. Employees are not to be penalized for proper use of the grievance procedure. However, it is not considered appropriate use if an employee raises grievances in bad faith or solely for delay or harassment or repeatedly raises baseless grievances. Improper use of the grievance process may be a basis for disciplinary action.

13.1.05 Final decisions on grievances shall not be precedent-setting or binding on future grievances unless they are officially stated as Town policy. When appropriate, the decisions will be retroactive to the date of the employee's original

grievance. The Town Administrator will provide training and support to supervisors dealing with employee grievances.

13.1.06 Information concerning an employee grievance shall be held in confidence by all participants. The employee exercising the grievance procedure, employees called as witnesses, supervisors who investigate a grievance are to discuss it only with those who need to know or who are needed to supply necessary background information or advice.

13.1.07 Work time shall not be expended by the employee in preparing a grievance.

14. SEPARATION FROM EMPLOYMENT

14.1 Resignation

14.1.01 Resignation is a voluntary act of separation from employment initiated by the employee. The employee shall give the Town Administrator at least ten working days prior notice of resignation. 14.1.02 An employee who, without authorization, fails to report for work for two consecutive working days shall be considered to have resigned voluntarily as of the end of the second successive day. The Town Administrator shall provide written notice to the employee that the resignation has been accepted and that the position has been declared vacant.

14.2 Reduction of Force

14.2.01 When warranted by changes in Town operations or by fiscal circumstances, the Board of Trustees may impose a reduction in force in one or more departments. The Town Administrator shall then notify the affected employee or employees at least ten working days before such reductions.

14.3 Termination

14.3.01 Employment with the Town is terminable at will. Any non-appointed employee may be terminated with or without cause, at the Town Administrator's sole discretion and upon notice. An employee in a regular full or part-time position, who has worked for the Town a minimum of 12 months, shall receive at least ten working days notice of the discharge, or the employee's regular rate of pay for ten working days and an employee in a temporary or seasonal position shall receive at least five working days prior notice of the termination, or the

employee's regular rate of pay for five working days, where such terminations do not involve employee misconduct.

15. PERSONNEL RECORDS

15.1 Maintenance

17.1.01 The Town Clerk will keep and maintain each employee's official personnel record.

15.2 Security

15.2.01 Neither the Town Administrator nor any employee shall provide any information concerning an employee's employment status in response to a reference request, except the employee's beginning and ending date of Town employment and position held with the Town.

15.2.02 No documents shall be released from a personnel record, except as required by the Open Records Act, without a written request from the employee designating the documents to be released and the person or entity to which the release is to be made, and indemnifying and holding harmless the Town from any liability, claims, and demands resulting from such release.
